## Job offering: Bike workshop

The General Student's Committee (AStA) of the constituted student body of the KIT represents the approximately 22,000 students enrolled at the Karlsruhe Institute of Technology (KIT) to the university, politics and society and offers them support and counseling.

The work group of the student body ‚Fahrradcampus‘ (AK FC) is involved for a more bike-friendly campus. The AK FC fosters bike-repairing and pumping options at Campus. It also runs an open bike-workshop every Thursday at building 30.82 (garage in front of AKK) to support all students in self-repairing their bikes. Additionally, the student body acquired E-cargobikes for which a suitable rental service has to be designed and implemented (storage, booking system etc.) in collaboration with the AStA-Department Socio-Ecological Transformation.

For this we are looking for a student as

### **Bike-workshop manager (m/f/d)**

for an unlimited employment contract.

There is a 2nd employee with whom the work is shared. This job is already occupied.

### Responsibilities

- Official contact person of the AK FC
- Coordination of the AK FC
- Management of the knowledge transfer of the AK FC
- Communication with parts of the student body and the KIT
- Maintenance of the workshop (regular checks, repairs and ordering new tools)
- Maintenance of the bike repair and pumping stations (regular checks, repairs and ordering new tools)
- Continuation of the planning and implementation of the E-cargobike rental service
- Maintenance of E-cargobikes (regular checks, repairs and ordering new tools)
- General support for the Executive Board in the area of student mobility

## Requirements

- Experience in bicycle repair and bicycle infrastructure
- Friendly interaction with people
- Experience in voluntary work is desirable
- Reliable and independent way of working
- Leadership and organizational skills
- Professional appearance

Training is provided by the AStA-Department Socio-Ecological Transformation, the second bicycle workshop manager and the AK FC.

We offer you a diverse job in a voluntary student environment. The work is flexible and the contribution of creative own concepts and ideas is very welcome. This also means a lot of independent and responsible work. You can organize your working hours very individually.

The regular working time is 15 hours per month. The salary is based on pay group E2 of the TV-L (At the moment – march 2025 - € 15.79 per hour without previous experience).

Please send your application in text form by e-mail to [vorsitz@asta-kit.de](mailto:vorsitz@asta-kit.de).

Applications will be accepted immediately.

The application period ends on 24 April 2025.

If you have any questions, please contact [vorsitz@asta-kit.de](mailto:vorsitz@asta-kit.de).

Kind regards,

**Tobias Deeg**
